 Application is hereby made for a permit to authorize the activities/land uses described herein and that any change in use from that stated on this application and the resulting permit must be filed with the Zoning Administrator of Bingham Township. Failure to do so will result in a violation notice and violators will be subject to a fine or fines as set forth in the Ordinance. I certify that I am familiar with the information contained in the application, and that to the best of my knowledge and belief such information is true and accurate and in compliance with the Bingham Township Zoning Ordinance. I certify that I have the authority to undertake the activities proposed in the application. By signing the application, I understand to allow representatives of Bingham Township to enter upon said property in order to inspect the proposed project. I understand that the granting of other permits by local, county, state or federal agencies does not release me from the requirement of obtaining the permit requested hereon before commencing the project.

With the granting of the permit for the above it is agreed that such work will conform with the State Building Code, all other applicable requirements of local, county, state or federal agencies, including but not limited to Zoning and other Ordinances of Bingham Township, health permits, and soil and erosion permits; and that Bingham Township shall not be liable for any damages resulting therefrom. NOTE: Under no condition does the granting of a Land Use Permit in Bingham Township guarantee adequate emergency protection can be provided to the permitted structure or building in the location permitted.
